Good morning! Anything new on the New Mexico complaint?

Mike

Subject: NM Sterigenics - Santa Teresa Facility

FYI, attached is information on the States (New Mexico) law suit against Sterigenics/Santa Teresa facility specific to ethylene oxide emissions. The attachment contains a fact sheet and suggested talking points in case the Region begins to get outside inquiries. Please note, although this is a state only action that was filed in District Court, we are staying in communication with NMED and EPA HQ on this matter.

Jeff,
Pls refer to the attached suggested talking points.
